ROBERT KNIGHT AS AN AVENGER.

Life in Male Attire Assists the  
Search for Gore.

St. Louis, Nov. 15.—With the fact that  
he and his pretty young wife will be sent  
to the workhouse, Robert Knight has made  
a full and remarkable statement of why  
his consort was dressed in male attire at  
the Regent Hotel, where they were ar-  
rested. Knight says he and his wife have  
traveled nearly across the continent to  
avenge the murder of his friend, Alexander  
Stark, who was slain in Patrick county,  
Va., by William Morris a year ago.

"I would have avenged the murder then  
had I been armed," Knight says, "but, at  
Stark's request, I swore over his death-  
bed that I would never use violence until I  
had brought Morris down. I sold the little  
that I had, and started out after tracing  
Morris to this city and back to Louis-  
ville. I sent for Nellie Martin, and we  
were married at Louisville, Ky. I finally  
traced Morris to the Regent Hotel, and  
of course, I had to go there as a lodger.  
My wife insisted on going there with  
me, and, as the hotel is only for men,  
she had to dress as a man."

Knight presented his wife at the hotel  
as his brother. She is now in the men's  
detention room at the Four Courts, still  
wearing trousers.

Shoots Himself in Church.

La Porte, Ind., Nov. 15.—With the words  
of a gospel song ringing in his ears, Charles  
M. Spencer drew a revolver in the Metho-  
dist Church at Westville last night and  
sent a bullet crashing through his brain.  
He died without uttering a word.

The only notice assigned for the dead  
is despondency, resulting from financial  
troubles. He was formerly manager of  
the Postal Telegraph at Westville.

## MARYLAND SYNOD LABORS

Pastors of the Lutheran Eastern  
Conference in Session.

DR. BURKE MAKES A SENSATION

Expresses His Dislike of the Chris-  
tian Endeavor Society—His Views  
Condemned by Other Ministers—  
Interesting Discussion of Various  
Topics—Day and Night Sessions.

The eastern conference of the Mary-  
land Synod, comprising the churches in Bal-  
timore city and vicinity and the District  
of Columbia, met yesterday morning at  
9:15 o'clock at the Church of the Red-  
eemer. There was a fair attendance  
of delegates from outside the city, and  
the Washington churches were all well  
represented.

On the convening of the conference a  
short prayer service was conducted by the  
president, Rev. L. C. Burke, after which  
and before the business session a short  
conference of the ministers was held.

The question of the meeting was the  
Rev. Dr. Burke's avowed dislike of the  
Society of Christian Endeavor, which, he  
said, he did not esteem very highly as  
an organization. His views on this sub-  
ject were opposed by Dr. W. E. Parson  
and Rev. Dr. Wiseman, of this city, and  
the Rev. G. W. Miller, of Baltimore, who  
argued that good and lasting results had  
come from the formation of the society.

The subject of the day and night ses-  
sions was the carrying for the parishes at  
Sparrow Point, Baltimore, who at present  
are without a pastor. After a lengthy  
discussion, it was decided that President  
Burke should give his personal attention  
to the matter, and arrange for religious  
service for the Sparrow Point Lutherans.

Reports were made by the pastor of the  
different churches in the eastern conference,  
showing a steady increase in the mem-  
bership and interest in church work.

The conference adjourned at 12:30  
o'clock for lunch, which was served by the  
Ladies of the Church of the Redeemer. Those  
who assisted at the lunch were Mesdames  
Lucy Edmond, Henrietta Fisher, Georgiana  
Chester, L. Thomas, Kate Dayton, D.  
E. Wiseman.

After lunch Dr. Wiseman, pastor of the  
Church of the Redeemer, escorted the dele-  
gates to Howard University, where they  
were received by President J. E. Rankin.

The following subjects were discussed  
during the afternoon session: "Has the  
ministry the right to ordain to the  
gospel ministry without the action of the  
synod?" The Rev. Dr. W. H. Dunbar, of  
St. Mark's Church, Baltimore, and Dr.  
Samuel Denner were assigned to speak on  
this subject, and were agreed that synod  
should have sole authority in the matter.

The question "Should ordination be re-  
quired to stand an examination on the  
scriptures of the three years before being  
admitted to ordination?" was discussed by  
Rev. G. W. Miller, D. D., of Baltimore.  
Dr. Parson, of the Church of the Red-  
eemer, of this city, Dr. Dunbar, of St. Mark's,  
and others. It was contended that the  
limited time of the examination committee  
during synod did not allow of a searching  
examination, and on the suggestion of Dr.  
Parson, Dr. Miller and J. C. Bowen were  
appointed a committee to report on the sub-  
ject at the next general synod.

The subject of "church choir" was made  
the topic of an interesting discussion. It  
was subdivided into the following queries:  
Should they be Christians? Should they be  
ordained? Should they be ordained to the  
gospel ministry? The Revs. Charles H. Butler  
and Stanley Billmeier made very interesting  
reports of the result of the house to house  
canvass made by the District Sunday School  
Union. Dr. Butler also discussed "Barred  
church rolls," and, with Dr. U. S. Ruff,  
of this city, he was named to formulate a plan  
for keeping a proper list of membership.

At 5 o'clock the conference adjourned  
to 7:30 p. m. The evening meeting was pre-  
sided over by the Rev. Dr. Heilmann, and  
was opened with a song and prayer service.  
The subject of the evening was the disci-  
pline of the church, as discussed by Prof.  
Stephens, the musical instructor at Howard  
University.

The first paper was read by Dr. J. G.  
Butler, pastor of Luther Place Memorial  
Church, on the subject of "What is Scriptural  
Conversion?"

In the absence of Dr. G. C. Roth, Dr. W.  
H. Dunbar, of St. Mark's Church, Bal-  
timore, was asked to discuss "The Sacred  
Nature of the Yoke of Church Membership."

Dr. Dunbar also referred to the statement  
of President Burke in regard to the Chris-  
tian Endeavor Society's pledge. He felt  
that Mr. Burke was mistaken. He was  
satisfied that Dr. Burke meant that the  
yoke to the church should stand before all  
else.

The question, "Will the cause of Christ  
receive greater strength from greater  
emphasis of discipline?" was discussed by  
the absence of Dr. Parson, discussed by  
Dr. W. G. Miller. "Sunday school  
Success" was the subject of an interesting  
paper by Rev. Richard Schmidt, of the Church  
of Peace at Baltimore.

The conference adjourned to meet next  
spring at Catonsville, Md.

The Arch-  
duchess of Aus-  
tria, it is said,  
can hold a grown  
man in air with one  
hand. Women  
generally do not  
seem to be able to  
such a degree, but  
most women desire  
physical strength,  
power and energy.

Too thin women and  
over-stout women, are  
both "out of condi-  
tion," they both lack  
the best sort of phys-  
ical development. If  
their digestive and as-  
similative functions  
were perfect, the thin  
woman would gain flesh; the stout one  
would lose it. This is why Dr. Pierce's  
Golden Medical Discovery builds up  
strength in both stout and thin people.

It empowers the blood-making organs  
to supply the system with the best blood  
which builds up solid, healthy flesh to  
the normal standard, but above that point  
reduces and carries away flabby fat. It  
brings you into "condition," imparts  
new force and stamina; rounds out  
sunken cheeks and meagre features, smooths  
away wrinkles, colorizes the cheeks  
and sparkle in the eyes. Its nutritive  
properties far exceed those of any malt  
extract or vile "emulsion."

Dr. Pierce's Common Sense Medical Ad-  
viser is the most popular medical work  
in the English language. It contains a thou-  
sand and eight-hundred, and over three hun-  
dred illustrations. It is a great store-house  
of valuable information. A copy strongly  
paper-bound will be sent free on receipt of  
21 cents in one-cent stamps to pay the cost  
of mailing only. Address, World's Dis-  
pensary Medical Association, Buffalo, N. Y.

A handsome cloth-bound stamped bind-  
ing is preferred, send two extra cents (31  
cents in all) to pay extra cost of this hand-  
some and better binding.

Stomach and liver trouble with slug-  
gish action of the bowels is overcome  
speedily and permanently by Dr. Pierce's  
Pleasant Pellets.
